## PVC BOARDS

Buy our PVC composite boards. They are made with a versatile and durable material, perfect for a wide range of applications. These boards are highly resistant to water, rot and insects, fire retardant and making them ideal for indoor OR outdoor use.

They're lightweight, low-maintenance, and easy to clean, offering a long-lasting solutions.

Available in sheets of 2.440m x 1.220m, black and white standard colours. Our boards can be painted any custom colour.
